“ *My family and I lived a few houses down from the Kanekoas. Sam and I grew up together along with his brother and sisters. Always considered him as a close friend, even though I hadn't seen him in awhile. Memories of some of his and Bonnie's Halloween parties came flooding back instantly along with childhood memories of being at his house for sleepovers. My heart is heavy to hear of his passing. RIP my friend, you were one of the good ones..*
