“ It's been very special to me to have you as a very close friend and neighbor. We have had a lot of good times with our golfing, card playing at our camping trips. Are clam digging and camping out at Ocean Park and crabbing with you and your family at the jittery. Lee gave me your golf clubs and I have been making good use of them. Your putter has been serving me with great rewards. Save a space for me, your friend Janice.
