“ I worked with Sandy at Fred Meyer in the late 80's or early 90's, and think about her often. Her kindness, charm and how beautiful she was always come to mind. She was a lovely young woman. I remember our last meeting and remember her pretty smile and the hug goodbye she gave me, I always thought I'd see her again. I miss her. Wish her family the best and take comfort that she will never be forgotten. Travis Heil

“ Where I met Sandra and where we became friends. Both Pay-N-Pak Home Centers and Copeland Lumber are now history, I believe.

“ Where Sandra last worked. Later, in 1994, I went to work for Copeland Lumber's corporate office in NE Portland [Oregon] as a bookkeeper, as well.

“ I remember Sandy's beauty and grace. We worked together at one of the north Portland [Oregon] locations of Pay-N-Pak Home Improvement stores, before landing her job with Copeland Lumber Co. We were quickly friends when we met, and I knew we would likely be friends for life... sadly - it was short lived, just as quickly as it started. I still remember receiving the tragic news... I truly did not believe it. Below are photos of the clippings I have saved all these years of this heartbreaking tragedy. I think of Sandy often. I would very much love to hear from anyone related or who knew Sandy, especially her mother Christine, if possible. I know it has been nearly 34 years now, but better a "very long time", than never. My name is JANET (Wood) MYERS and I can be reached at: (503)890-4300. Texting, to start, would be great as well.
