“ *My best memory of Sarah is of constantly laughing, very strongly and loudly whenever speaking to her on the phone. She was a very fun-loving and caring person, and very witty. Speaking to her always brought a bright smile to my face and a spring to my step. She was beautiful inside and out. I am very, very sad to hear the news. I wish I could have met her in person in all her vivaciousness.*

“ *Sorry for all of your loss. Too bad no one thought to take care of this earlier at least for the childrens sake. Nice of you to invite John Michael...*
