“ I am so sorry to hear of Scot's passing. I am Tammy's Mom and he spent many hours of his teenage years at my home. We lived across the street from his house. Watched the kids growing up. My condolences to his Mom and Family. Becky

“ Scott and I grew up together. We were very close friends in our teens, always having so much fun. We would hop in his Mustang and make spur of the moment road trips to the coast or up the Gorge, sometimes in the middle of the night. He could make me laugh until it hurt. He practically lived at my house in high school, and I had the honor of being the first person he really opened up to about himself. We were close friends well into our twenties. I had the good luck reconnected with Scott on Facebook a few years ago and catch up. I always thought I would see you again, my friend. My sincerest condolences to Phyllis, Randy, Kori, Danette, Scott's loved ones, extended family, and friends. He was an original, and he WILL be missed so very much. Good travels, Scott.
