“ First of all, I am sending much love and prayers to Auntie Linda, cousins Mike, Gabe and their families as well as extended family in the U.S. during this difficult time.

*I am grateful for the times I have spoken to Uncle Jun over the phone growing up via my Dad whenever he'd call and talk his big brother. As well as the trip to USA in 2002, Dad, Mum & I went. I didn't not want to go at first due to the state of my mental health but am grateful we did. It was my first time to meet Uncle Jun and his family after so long. This trip created lots of memories. Some of the fondest memories I've had of Uncle Jun is the way he was a good brother to my Dad as well as the way loved his family and his dedication towards them.*

*We're going to miss Uncle Jun. I know it won't be the same without him. However, we will cherish the memories we have of him. He certainly was a blessing to us all and made a positive impact in our lives.*

“ *My dear sweet uncle as it pains me to describe him in past tense. He was a wonderful, caring human being. He subbed as my father during my early childhood, inadvertently giving Michael and Brian a sister they never wanted. Even if it was brief, I will forever hold in my heart how my Uncle along with auntie Linda, Michael and Brian opened their home to us, and shared such wonderful family memories. In recent, Uncle Jun showed so much bravery and strength. He continued to humor me with laughs at all my sly remarks and jokes. Some may or may not be funny at all. I regarded myself to this day as uncle and auntie linda's "princess" because in my mind, I am still this young child in this photo being held by my uncle. I love you so much uncle Jun. Thank you for all the love and care that you have given. Rest in peace.*

“ My deepest condolences to the Mon, Lumba, and Gonzalez families for the loss of Uncle Jun. My Godfather was a humble and loving man. He loved his family with everything he had. To say we'll miss him isn't enough. Rest in peace uncle. He took this picture even though we were all begging him to let someone else take it so he could be in it.
