

Shannon Leanne Reeves

August 16, 1979 - August 17, 2013

Our beautiful dear friend, daughter, mother and loving girlfriend has left our world to join another. She leaves two children, a wonderful and heartbroken boyfriend, her parents and grandfather and literally mountains of grieving friends. However sudden and shocking her departure was, those who know Shannon know her journey will take her into the arms of her brother, Joey, who has been waiting patiently for over 20 years. There wasn't a day that went by that Shannon didn't think of Joey - and we can be confident and joyous she is smiling her amazing smile and her one of a kind bright green eyes are glowing. There is a reason we all fell to our knees once we learned Shannon had passed. She touched each one of us individually. We all made our own unique and special relationship with her. There's nothing like having Shannon on your side. May peace be brought to those who feel she has left; she's here and will be present alongside of each of us throughout our time in this world. Shannon, there is no question you were loved with insane amounts of emotion by fields full of people. We're forever tied to you and thank you deeply for all the wonderful memories you have left us. Please be in peace in your new life and please continue to watch over us as we grieve your loss. You will be forever in our hearts. Words simply cannot express the meaning behind this. You will forever be in our hearts. Please join us to celebrate the life of Shannon L. Reeves on Thurs., Aug. 22, 3p.m., at Evergreen Memorial Gardens.

“ My beautiful Sister, I will never forget the first time I held you in my arms, I was so happy at the thought of having a little sister. Even though I was miles away and we didn't have the chance to grow up together, the times that we did spend together always left me wanting more. I will never forget the way your beautiful smile and bright shining eyes always lit up the room. I know you are safe and at peace in Joeys arms. I will always be thankful for the times we did have and I will always long for more.
