“ I have sooo many fun memories of Shari!! I loved going to Portland Wrestling with her and then hurry back to grandmas to watch ourselves on TV. I used to spend the night at her house all the time as a kid and loved to see all her glow in the dark velvet posters on the walls as I slept....and listen to Bay City Rollers. I loved watching American Bandstand with her and Vicki And watch them show me dance moves. She taught me "the hustle." I think I was 8 or 9. When I went to Europe, she came to the airport to greet me when I came home after 3 months. That meant a lot to me. She would go out dancing with me in my 20s-even though she was older and didn't really want to. She would look at the Sears catalog with me and we would circle all the stuff we wanted. I could go on and on.....I will miss her so much!!! It's hard to even see her name on this page. Shari was very loved by me!! Denise Espasandin
