“ Shari, I enjoyed playing Spades with you as your partner, because of your skill and competitiveness. And also because through our brief encounters around the card table, your kindness and caring for others came through. I always enjoyed seeing you at the MeetUp games, and my heart goes out to your family and close friends.

“ Shari was a pleasure to work with. She was always cheerful and funny. Some of the best back-and-forth banter about work, family, and life. I miss her.

“ It is always a tragedy when someone young and bright leaves this world, but knowing how Shari was also kind and good makes this even more difficult. I hope that Shari is at peace and that her family and friends feel comfort in these hard times.

“ I am going to miss Shari and our slightly immature 😊 inside jokes. She was always a fun coworker and a good friend. She was loved by many of us and will surely be missed.

“ Shari was a great friend and often a calm spot in a storm. She was always there to balance out our business department but was also there as a friend when I needed to talk. She will be dearly missed
