

Sharon Leanne Parks

July 29, 1946 - September 12, 2023

Sharon Leanne Parks, a beloved daughter, sister, spouse, mother, grandmother and friend, died on Sept. 12 in her home at Highgate Senior Living in Vancouver, WA. She was 77. Born to parents Edith and Herbert Hansen, Sharon spent her youth in Wenatchee, WA and from an early age was known for her adventurous spirit and sense of humor. Fond memories of her childhood often involved her two sisters, Susie and Linda, of whom she cared for dearly. In her teens, she met her love and life partner Harland who preceded her in death. They married in 1965 and would have celebrated their 58th wedding anniversary this month. Sharon treasured her family, including her daughter Traci, son-in-law Matthew, two grandchildren Stefanie and Riley, grandson-in-law James and great-grandson Theo. She was a loyal and kind friend. Her memory - along with red roses and scenic views, two of the things she enjoyed most - keep her present in our lives. She is deeply missed by her family and friends, and holds a special place in all of our hearts. Rather than sending flowers, please consider making a donation to the Alzheimer's Association in Sharon's honor: www.alz.org/donate.

“ Sharon was my mom, Linda Heman Jackson's best friend, and Sharon's husband, Harland was as well along with my Dad Bill Heman. The couple friendship shared was like none other. Because of this my childhood memories almost entirely include Sharon and Harland, and their daughter Traci. My dad died unexpectedly at age 34 and Sharon and Harland were the ROCKS in our lives (my mom, brother Kenny and myself). They were loyal at burning the candle in remembrance of my father. Sadly and fortunately they kept the candle flame burning in dedication to my mother who also died too young. The ground I walked on vanished and the love and attention from Sharon and Harland saved my life during the most darkest times of my life. Many of know, THAT is exactly how Sharon and Harland were!!! When I started a family they also shined thru as Grandparents at heart by staying in extra communication and with fun baby gifts. We still use the fleece Valentines blankets from 12 years ago! I send thanks to them in Heaven and smile every time I picture them together with my dear parents being reunited. I also am very touched that Sharon got to meet her great grandson Theo. Her greatest joy was being a Grandmother and know how proud she must have been for Stephanie and the family. I send much love and condolences to Traci, Matt, Stephanie, Riley and the rest of those close and dear to you all. Kristin (Heman) Robertson
