“ I can't stop thinking of you Sharon. I will not only miss doing your beautiful thick hair, I will miss talking, and laughing and sharing stories of our families. You have such a wonderful family whom you loved and adored so much. I admired the love you and your husband had. It was absolutely beautiful. You have taught me a few things in the years we've known each other like your yummy recipes or your awesome taste in bath and body works, but most of all you taught me, Life is too short, so live my day like it was my last. I just wish I hugged you a little tighter and a little longer that July 2nd day when I did your hair. You will be so missed by me. Love you, Lisa

“ Joe, I was so sorry to see that Sharon had passed when I saw it in the paper. Even though I haven't seen you for a while my heart is with you. I only saw Sharon a few times over the years, but I remember she was always nice to me and very viberant. I feel for your loss.
