“ I believe Shirlene McMichael was a graduate of Klamath Union High School, Klamath Falls, Oregon in the year 1958. We lost touch with her and was on our Class Lost List for many years. Sad to hear she passed away. So glad she found her passion as a music teacher .

“ She was an amazing woman who loved music. She pushed all her students to be better then they thought they could be. She had a great sense of humor and loved the Trailblazers. She will be missed.

“ Shirlene was my orchestra conductor in Pendleton, Oregon, from 1965-1969. She was an excellent teacher and was able to have lots of laughs as our friend, while maintaining her professional core. She trained some excellent string players with the Suzuki method and contributed perfectly to the music excellence we were privy to in Pendleton. Thank you, Shirlene. Love, Bill
