“ Shirley I will miss you so much. I'm so thankful for the time I had with you in my life. I look at my sun catcher dancers in my window and can just hear you laughing. And of course every time I see a slot machine you will be in my thoughts. Rest easy. I love you

“ My Auntie Shirley was a favorite aunt. She was the youngest of, and out-lived 7 other siblings: William, Bertram, Lucy, Stanley, Gordon, Grace and my mom, Gladys Boczar. When I was small, I remember her living in a house trailer outside of Chicago, and she loved her Scottie dogs. She was very crafty, and made amazing pictures from shells she had collected from the ocean. My mom and dad (Stephen) sometimes went on holidays together with the Helgasons (including the occasional visit to the casino, ha ha). I last visited her with my wife Judy and my mom in 2018 in Vancouver WA. It was one of our best vacations. We drove south along the Oregon coast and enjoyed breath-taking ocean-views and fresh seafood. Auntie Shirley loved to sit in her backyard and enjoy her flowers, birds and critters. She will be dearly missed by all who knew her.
