

## Shirley Ann Meyer

March 28, 1935 - December 15, 2020

Our heartache is unmeasurable, our beautiful Mom - Shirley Ann Meyer passed away at 85 yrs.

Shirley - Mom, Grandma, Gt Grandma, Gt Gt Grandma, wife, sister, aunt, friend - She was all these and so much more!

She loved so many things before her health began to fail that it would fill a book to list them all. A few of these were music (she played accordion and piano), tour bus trips to places around the US, shopping (especially at Christmas), she loved chocolate and daily crossword puzzles. Most of all it was her family that gave her the most joy, especially spending time with her grandchildren and great grandchildren.

Shirley was born on March 28, 1935 to Wilbur and Loretta Hays in Hillsboro, the middle child and only daughter. She excelled in school and was ahead of her grade level to graduate at age 16.

Her first marriage gave her two daughters but her second she found the love of her life. That marriage gave her a daughter and two sons. Shirley married Gerald (Jerry) R. Meyer in 1957 and in the early 1960's they moved to Vancouver, WA. For over 30 years they owned and operated Jerry's Tire Store. After they retired from the tire store, Shirley decided to go back into

retail where she retired from Fred Meyer after 10 years. After her husband passed away, she began to explore the US by tour bus--she had so much fun!

She was preceded in death by her parents and youngest brother, Jim Hays; husband Gerald Meyer; daughter in-law Cheryl in 2019; and her oldest brother Kenneth Hays in October.

Shirley is survived by her daughters, Janet and (Barry) Harte, Sandra Pointer, Diane and (Ted) Gibson, and her sons Jerry Meyer and Roger and (Sue) Meyer. She was blessed with 14 grandchildren, many Great Grandchildren & one Gt. Gt. Granddaughter.

A Celebration of Life is being planned for a later date due to the coronavirus pandemic restrictions. If so inclined, the family is encouraging donations in Shirley's memory be made to either The Salvation Army which holds a special place in Moms heart, The American Heart Association or The Humane Society.

“ It was such a blessing for Tilly and I to catch up on many years of lost time with her. What was amazing to me is that she had not changed a bit- time treated her very well. I know that she had a few health issues along the way, but she was my Aunt Shirley from my earliest memories of her. She was a wonderful cook- loved her macaroni salad out at 'the property' and still compare it today to any that I eat. Loved spending Christmas Eve with the whole Meyer clan in Aunt Shirley and Uncle Jerry's home. In talking with her during, she was a very proud Grandma. Our prayers to all of her children, our cousins, and her whole family for God's peace and comfort. A wonderful lady who will be missed by all! Love, Rick and Tilly Meyer

“ All my memories of Shirley were Awsome. Family vacations in her home were the best. She was such a sweet soul. Beautiful smile and laugh. I haven't seen her in 40 years but I can still hear her voice in my head. I know she touched everyone's heart that she came in contact with and missed by all her family and friends. See you in Heaven one day Shirley
