“ Evey and kids, We share your sadness and loss, but want you to know that Sid was one of the best men, in all respects, that we have ever known. Because of the way Sid lived his life, caring for his family, serving God, sharing his love of Jesus, we know that he was welcomed into the presence of his God with open and welcoming arms. In deepest sympathy at this time, but with gladness that we were able to know him and have him in our lives. With loving Prayers, Carl & Mari Kae Mullen

“ Sid was an amazing man. He has always had a special place in my heart. For many years he was my Sunday School teacher. He brought Jesus into my heart and life. I still have the Bible he gave to me. My heart smiles knowing he is home now. One of my favorite memories is Sid taking his class down to the bottoms, during a drought. We had so much fun catching carp with our bare hands.

“ Roth family, What a long wonderful life Sid lived. And 73 grandchildren to enjoy! Wow! I always enjoyed his quiet, easy going demeanor while he had cattle down of the refuge - always one to make sure things ran smoothly, which they always did! Nicki and I are out of town so won't be able to join you in celebrating his life on Sunday, but know that our prayers and love are with you all. Bruce and Nicki Wiseman
