“ Hey Spencer, do you remember when we went to Warped Tour together and you took the We Came As Romans poster right off their stage.. I still have it. Do you also remember when we went up to Sunset Falls for my birthday in the middle of the night, we had our heads hanging out of the window and the wind was hitting our face while we screamed our favorite songs? You were a great friend to me and I'm going to miss you deeply. I pray we all find the strength to keep going on without you.. Rest easy man, until we meet again.
