“ To the family of Dr. Reuter: Dr. Reuter has been in my mind so much lately. I was his patient as a young child up until I was an adult. He changed my entire life when I found myself pregnant at the age of 14. He put his stethoscope in my ears to let me hear my baby's heartbeat and because of that my baby is approaching 50 years old. In fact he delivered all 3 of my children and took care of them when they were little. I see that he passed in 2009 and this was the same year that my own father passed away. Dr. Reuter was a great man and loved God. He has and will always have a spot in my heart. If it would have been up to my Mother I would have never had my son....i am so grateful that he was my physician and stood by me through a very confusing time to say the least. I loved him may he RIP and I look forward to seeing him in heaven one day. Gods Blessings to His Family. He saved my life and my son's life. Thank You Dr. Reuter. ❤️

“ Dear Aunt Marilyn, Devon and Renee, Mark and Paul Thinking of all of you at this time. Uncle Stan was a very dear uncle to Bob and one to me as well. We enjoyed all the times we spent with you in Michigan, you always opened up your home and your hearts to us and those are some special memories. I was looking through pictures the other day of Uncle Stan and the boys hanging out together on your hammock. Those were sweet times. Ian and Nathaniel you have a wonderful grandpa, we know you will miss him greatly. Hold on tight to God's hand through these times, we are praying for all of you wishing we could be with you through this time. We love you, Bob and Kelly

“ Dear Marilyn, Renee & Devon, Mark & Paul, Our thoughts & Prayers are with you during this time - My the Lord comfort you. Thank you for the kindness shown to me over the years. I have special memories of both you and Stan. Stan was an encourager as well as a good listener. Lovingly, Chuck & Judy Meyst

“ We will always remember Stan for his great love for the Lord, his warmth, loyalty and compassion, his love of fun, his huge smile and hearty laugh. Stan will be greatly missed, and we extend our love and sympathy, Marilyn, Renee, Mark, Paul and families. "What will it be to dwell above and with the Lord of Glory reign, Since the blest knowledge of His love so brightens all this dreary plain; No heart can think, no tongue can tell, what joy 'twill be with Christ to dwell".

“ Aunt Marilyn, Renee, Mark, Paul and family, You are in our thoughts and prayers. A man like Uncle Stan leaves a big void with his departure from this world. But oh the joy for him to be with Jesus - Joy for him and peace for you. God is so good. I love you, miss you and wish I could be there with you. Love, Tiffany

“ Marilyn, Renee, Mark, Paul & families. Our thoughts and prayers are with you in your time of loss. We feel like a piece of us has been torn away from us. Not only a relative but a true friend who was more concerned about the welfare of others than his own health issues. He was very dear to my late mother and father. We will miss him very much in spite of the fact we have been miles apart these last number of years. Wish we were able to be together but will be in spirit.

“ Auntie, Renee, Mark, Paul and your families. My deepest sympathies. Remeber the New Year's Eve we descended on your house and threw an impromptu party? I love thinking about Uncle Stan singing songs from WW2 at that event. I wish I could be with you. Much Love,

“ Dear Aunt Marilyn, Renee, Mark, Paul and families, I share in your loss as Uncle Stan was like a father to me when I was young. He brushed my teeth, celebrated my birthdays and helped me with my homework. And who can forget KFC night and the feisty conversations around the table? Great memories I will never forget. I'm glad we were able to celebrate his 80th birthday as this was our last visit with him. Amelia was excited to talk to him just a few weeks ago on the phone and tell him of her plans for college. I know he is happy to be home with his Lord and Savior. May this same Lord be a comfort to all of you. Love, Charisse
