“Dad, no words can explain how helpless I feel without you. Holidays will never be the same. You were a hardworking honest man and you are missed dearly by many. To the best dad in the world, love your daughter.

“Both my husband Charles and I want to send our heartfelt sympathies to Kathy and her family. Our friendship with them was one I treasured and our hearts go out to you Katherine as you go forward without your pillar of support. Lean on us if you need anything..we will be there for you. We already miss that mischevious grin and happy personality of his that he shared with everyone. Take care friend,we will miss you.
