“ I want to wish Steve's family my sincere sympathy. I remember well being his classmate in junior high. I have great memories of Steve playing basketball when I went to school with him. Many years later he came into my parents' business and I went to see him where he worked as a car salesman. I was glad to be his friend and to communicate over the phone during his last several years was nice. He was very proud of his family and expressed his love for his grandchildren and that they gave him tremendous joy! We will miss you Steve Newton. May you have peace now and forever more.

“ Fond memories 1988 class reunion. We had so much fun. Gave him a ride to Sparky McGrew's impromptu after alumni only party. Will miss you Steve. May heaven receive you.
