“ Steve you are that Master Sergeant that was always calm and collective. I never saw you angry and you provided such calm to any storm we encountered, especially during our Ranger Challenge at Camp Relia, Oregon. Your mentorship gave me the right inspiration to go the distance and your grateful attitude provided the sun in the sky which we all know here the sun is seldom in the great northwest. Thank you for celebrating my Army retirement party and sending me off back into the civilian world with such a positive attitude. I miss you buddy! Jose L. Fabre U.S. Army (Ret.)

“ Steve will be missed. He was a great neighbor, loving husband and devoted father who gave great advice. For over 30 years we enjoyed his presence in our community and benefited from his "get it done" ways. We will miss him and his thoughtful care for our neighborhood. Our deepest sympathy to all.

“ My thoughts & prayers are with you today. Steve was a good friend and a wonderful co-worker. I always enjoyed talking with him on the phone. He helped me so much with any problem I had here at Viega whether it be a question about our products or a question about a customer. He will be missed so much by all of us!

“ Pam, Marissa, Ryan; I am shocked to hear about Steve, your spouse, and your dad. I worked with Steve at Familian for many years. Spent time with him on the Jeep and Firebird. You can blame me for the interest and involvement in the National Guard. He and I spoke often about roles and benefits within the Guard. He is a great guy and always helpful. He did the valuation of my dad's arms collection, which was taken as correct by the insurance company. So, I salute a good soldier, a great friend, and all around good guy.

“ Steve - Your smile always made others have a better day. I will miss talking about "when we were younger". You always remembered the best of things, and we need to be more like that. The photo you took way back in the '80's of Portland at night always brings a smile and happy thoughts to mind. You brought a joy to the world we will all miss. God bless and look over your family in the days ahead. best regards, Penny Pershey
