“ Steve was a very good friend, we spend a lot of time together while sharing our common interest in vintage shooting matches. We had numerous other connections in life. He will be missed by his friends and love ones. A great pleasure to have been given the opportunity to know Steve and spend common interests. Miss you my friend.

“ Steve and I were great friends before we were even in first grade. We played (hung-out) together as young as 5 yrs. old. Our favorite thing to play was "cowboys and Indians. I believe it was on my 6th birthday he presented me with an engagement ring from the "Dime store" in Hendricks. That was 71 yrs. ago. Steve was a great guy and we had many memories to share. God Bless him. I know his family and many friends will miss him. My sincere sympathy to his family Janet Tjaden Kamke
