“ As sadden by the sudden passing of a colleague...and friend, I am grateful to have known Steve during the past year. The humor, wisdom and unwavering commitment to fellow employees he bestowed will indubitably be missed. May you rest in partner.

“ I will always remember how helpful Steve was and anytime I had a question, he was more than willing to offer his advice or opinion on the matter. His knowledge was such an asset. He will be greatly missed. My prayers go out to his family for peace and comfort during this time of great sadness and loss. "Blessed are they that mourn for they will be comforted." I pray that God will bestow his choicest blessings on your family.

“ To Steve and his family, Steve was a very special guy with a funny dry sense of humor. He would go out of his way to spent time giving me advice at work. At the Civil War re-enactments he would take us around and explain everything in fascinating details. I will cherish his photography book and always feel his presence in his wonderful photos. Thanks for the memories, Steve. You won't be far from our thoughts. Bill Brown

“ I send condolences to Steve's family as I keep you lifted up in prayers. Steve will be truely missed. I knew him for a short time, but time seemed forever. When I think of Steve it will be all smiles, because he had a way of doing just that. May God Bless and keep you through these difficult times. Fredia Okoye

“ I only worked with Steve for a short period of time but he was a wondeful person to work with and always brought a positive attitude to the office and meetings. He will be missed greatly!

“ Dear Drake Family, I had the pleasure of working with Steve since March of this year and I am very saddened at his passing. Steve was one of the funniest people I had the pleasure of knowing and I will always remember how he made me laugh throughout the day. He was truly one of a kind and I will think of him with fondness.
