“ Steve and I go way back to the mid 1980's. He was one heck of an athlete and an even better teammate. He was a loyal friend and we were like brothers who would share so many of our biggest secrets with each other. We shared our sobriety together for many years and he would say other than his family, getting sober was the best thing he ever did. His dry wit and infectious smile will never be forgotten. I miss you and love you forever my brother. Doug Miller
