MP

“ It was with a great sense of loss when I heard of Susan’s death. I wanted to let you know Carl, that you have my greatest sympathy, and my heart is truly saddened. Susie was more than just a wonderful person, she was always so kind and considerate to me. From Morningside grade school, Leslie Jr. High, South Salem High School and the church that we attended, Susan was a true friend and a person I have and will keep in my heart and memory forever. I know that her passing will not only leave a void in our lives, but in the hearts of all those who knew her and loved her. Susan and you are in my daily prayers. May God give you strength. My sincere thoughts and prayers are with you. With my deepest sympathy, Mickey Perman 818-309-7566
