“ 3 years since you've been gone Mom and not a day goes by that I don't think of you. I wish you were here...so much has happened. It's amazing the lessons we learn in life and sometimes the people we love the most are the one's taken for granted. 40 years old and still learning Mom. I'm a fighter like you...thank you for the Morher you were and the qualities and traits you instilled in me. I love you Mom. Your favorite son, Phillip
