“ Sue, you are my best friend and I will miss you immensely. You introduced me to my husband 15 years ago and stood beside me as we got married. We have always been there for each other, now you will be in my prayers. If you only new the impact you had on many peoples lives, you would know how greatly you will be missed. Words cannot express how much my heart hurts or the tears that won't stop flowing since you left. We will meet again my friend, my sister.

“ Sue, We enjoyed you as a neighbor for the short time you were with us. I enjoyed watching you try to walk Brat puppy and Angle, and cracked up the day Angle got away and she would let you get just an arms length away and then take off again. She was just a tease. Also thank you for being the 'mother hen' when I was sick this last winter. I'm sure I'd still be catching if you hadn't threatened me. There is an empty spot across the street from us and we will miss you alot. God be with you. Earl and Clydene Gere
