“ I was an IRS Field Agent in Portland. I worked civil and special enforcement cases. I remember Mr. Evans as a friendly gentleman. Condolences and Peace to the family.

“ T Blair Evans was a role model for managers to follow when District Director for Portland District. He was medium height and slight build and very pleasant to everyone. But what made him a giant was how he quietly motivated everyone to achieve their best. I was honored to be his Public Affairs Officer and to work closely with him on many projects. I remember that he liked his quiet time at lunch and that he most enjoyed going with Nola to visit family with their fifth wheeler. IRS employees everywhere express their condolences to the Evans family. Dale Potts

“ I knew Blair for several years as a IRS Executive colleague before becoming the DD in Portland when he retired. Blair was such a gentleman. He was also ahead of the times in his creativity and suggestions for changes that could make the organization stronger. Over all these years, he never failed to wish me Happy Birthday - I will miss those wishes from him. My sympathies to the Evans family. Carolyn Leonard

“ I was an IRS Special Agent in Portland when Mr. Evans was Assistant District Director. I next was in Central District as an analyst when he was District Director in Parkersburg and met with him on several occasions. Later we were both back in Portland and he was District Director and I was a CID manager. I always found Mr. Evans an even-keeled person as a manager and very much a gentleman. He had my respect. Condolances and best wishes to the family.
