“ *Words still can't express our sorrow of hearing of Tami's passing. We have so many fond memories of her from the Cruise to the Country car show, our car show, and visiting with you guys at other car shows. She was such a special woman with a smile for everyone. She will be greatly missed by so many including her car show family of whom we are so proud to be part of. Take care, Matt!*

*With much love - Larry and Donna Garlock*

“ *Tami was always so nice when I worked at KPB and needed to use the copier or microwave in OS area. Or get petty cash! I helped her when I worked in HR with some of her time off. She will be missed. This is very sad to hear.*

“ *My thoughts & prayers to Tami's husband & family. She will be dearly missed. Tami was a wonderful person, friend & colleague. Her love of cats & the color purple will always bring a smile to my heart as I recall her office dcor throughout the 16 years we worked at KPB together. Always a smile on her face & a warm, friendly "Hello" as we'd meet throughout the day & throughout the floors of KPB & SYB. She lived her life well & was loved by many here at Kaiser. She will be missed. I am so grateful she was able to enjoy time w/her husband at the beach after retiring and play bingo. She is now at peace & longer suffering. I imagine her beautiful long hair will flow in the heavenly breezes. She is now in comfort & at peace. xoxo my friend.*

“ My sincere sympathy to Tami's family on their loss. Tami was a well loved Kaiser "institution" and we will all miss her so much. She fought a hard uphill battle and always had such a positive attitude and a beautiful smile. May she rest in peace and enjoy endless ocean views from her spot in heaven.

“ Tami would always go out of her way to help, patiently answering questions, providing guidance, offering suggestions. Her helpful attitude and deep knowledge of Kaiser Permanente and the people who worked here were invaluable. Missed her when she retired from KP -- but I'll miss her more now, knowing a beautiful person has slipped away from us. May peace and love embrace her family.

“ I, too, began my career with KP through Office Services. Tami was one of the first people I met. She was a wonderful, helpful co-worker. I remembered her number as it ended with 911 - because Tami was always quick to help - and it was usually an emergency. She was graceful in her job and her fight, and I will truly miss her. My thoughts and prayers go out to Matt and her family. Rest in peace, Tami.

“ I was so sad to hear of Tami's passing so shortly after her recent retirement from Kaiser Permanente. I have know her for the last decade and she was always really helpful, nice and responsive whenever I needed her....which was fairly often. I hope her family knows how much she will be missed by her colleagues and how strong she was at work throughout her illness. I am glad she got to see the beach one last time and hope her family and friends have many happy memories.

Sincerely,  
Anita Quinn

“ I met Tami in 2001 when I was temping for Claims Administration. I worked on the 3rd floor and saw Tami everyday for about a year. She always had a smile and a good morning for me every day. When I moved to the 5th floor we would run into each other from time to time, she always had that smile. My condolences to her family and close friends. Sincerely, Lynn Walker

“ I like many others have also been wondering how Tami is doing. I am so saddened and slightly surprised to hear she passed. Although I did not know Tami as long or as well as many others I enjoyed working with her and knew if I needed help I could ask Tami and she always knew the answer or knew where to find it. My heart goes out to her family, God Bless and take care of each other during this difficult time.  
Respectfully,

“ I have worked in the Kaiser Permanente Building for almost 10 years. Tami was always such a help to me and to anyone who needed help. I remember when the new conference rooms 1A and 1B opened. The first meeting held in there was a meeting I supported. I had no idea what to do to get the audio/visual equipment going, set up the Polycom, etc. So of course I ran straight to Tami. She had been waiting patiently for a page of instructions on doing these things, but they hadn't arrived yet. Not one to be daunted, she just figured it all out, so we learned it together. I miss her a lot, but I am so happy that she is at peace. I will enjoy my memories of Tami.

“ My first job with Kaiser was in Office Services. Tami taught me so many things. She performed her job very well and was extremely conscientious in everything she did.....a stickler for rules.....but that's ok....she kept everyone on the straight and narrow. I never ever heard her complain throughout her illness. She always had a smile and looked amazing for all that she was going thru. My deepest condolences to her family and friends.
