“ Lisa, I am so sorry for your loss. I was a coworker and fellow union member of Tamra's. I have recently learned she was also my grandson's first babysitter. She was a warm delightful person, open, honest and candid. She loved her kids and her mom, and shared heartwarming stories and quips. As a union steward, i wish to inquire as to the welfare of her children, and with appropriate permission, propose that her fellow union members take up a holiday collection on their behalf. Please feel welcome to contact me.

“ Lisa, although I have never met you, my heartfelt condolences to you and your family. I am the aunt (Linda Hockhalter) of Tamra's father. I met her many years ago when she was traveling with Grandma Rose and we went to Port Angeles and Vancouver British Columbia. She was such a sweet girl. You were blessed. My love to you and her girls (my great nieces).

“ My sweet friend... My heart is so heavy for your family. You will be missed forever. I can't believe we won't be running into each other at firstenburg or Safeway anymore. You will always hold a special place in my heart. I don't think I would have made it threw high school without your friendship.

“ Lisa, it's hard to find words to convey my condolences. My heart goes out to you and to Tamra's children for your indescribable loss of a daughter and mother. May you all be blessed with the grace you need to carry on in the way that Tamra would want. Tamra always was so cheerful when she worked here and I can still imagine her smiling face. Blessings, Sharon Hanson
