“ Hello Tanya~I'm not sure if you remember me, but we were friends a long time ago, Lakeshore Elementary days! Although I moved away I always remembered our friendship. I heard that you lost your battle today and I wanted to say I am sorry, but I heard you fought hard! You are truly an inspiration to all of those continuing to fight this awful disease. I am sorry it took your death for us to reconnect, however your story will be inspiration to my family and friends who also suffer from Cancer. rest in peace my old friend!

“ My deepest condolences on your loss. Tanya was a great person. I remember meeting her the first time when i played ball with her many years ago. She was the first to welcome me to the team. It was years after playing ball that i saw tanya again in high school. Still the most up beat person you could meet. After high school i lost track of her but found her about months ago on facebook. still the upbeat and fun loving as always. I will remember all the good times that we had with tanya.
