Tribute Wall

GR

“ 12/23/2010 Ardene has been looking for her Christmas card from Teresa so I told her I would search the internet. Now she knows. I will always remember my birthday party at your house. I also remember when Teresa was locked out and my key unlocked her door. It's been a bad year for me to lose my female relatives, friends, and former neighbors. It started with My Mom on Jan 9th.
