“ My dear Joni. I will never forget how wonderful it was to visit you, your family, and David - and then come to visit you after David passed. I could not have ever found a better sis-in-law. You and your family became my family. David was truly blessed to have you and the love you two shared was so special. You gave me and David time alone to get to know each other and I am forever grateful to you. The fun we, you and Opal had on the cruise is one of the fondest memories I will ever experience. Please give my brother a big hug from me. I miss David dearly. Kelly and Russ, wish I could be there with yall. I am so sorry for your loss. Every Thanksgiving and Christmas I think about the times I came to Portland to spend the holidays with yall. May Joni's precious soul rest in peace. I am sending my love and prayers. 🙏❤️❤️🌹🌹🙏🙏
