“Dad you will be forever missed and eternally loved! Being here without you breaks my heart daily, actually every minute. But knowing you are at peace and not in anymore pain makes this a little more bearable. Today is the 17th day since I have heard your voice, yes I am counting, but I know I will hear it again someday and get to hug you a million more times. I love you. Love, Kylee

“I worked with Tom at Western Transportation - James River - Fort James - Georgia Pacific Corp. at both the FA and RG locations for around 18 years. Tom was a Lift Truck Mechanic and I was a Tram Mechanic. Tom was a real Character and loved to joke around with everyone. When I heard he had departed us all I was shocked and saddened. The fact that I enjoy riding Motorcycles too, brought Tom's passing even closer to home. My thoughts and condolences go out to all of Tom's Friends and Family. Charlie Young Portland, Oregon
