“ I would like to express my condolences for your painful loss. I enjoyed working with Tom for several years before I was layed off in 2009. I was able to get reacquainted with Tom after being rehired this April. I worked closely with Tom on the cubing line for several years. He will be sorely missed. I hope you can find comfort in the days ahead as you look back on all the good times you enjoyed with Tom.

“ I had the pleasure to work with Tom for the past 11 years. Our friendship went beyond work, we cycled together many times and he offered me help as we worked on my classic car together. We miss you Tom.
