“ "Why? That's what we ask. The truth is, we may never know why. We do know there is no single 'should've done', 'could've done', 'did' or 'didn't do', that would have changed that why. All that love could do was done." I'm so sorry for your loss. I understand that pain and the tumultuousness you're feeling, and it's uncomfortable and unsettling. I love you all and am praying for you! Let me know if you need anything!
