

Tillie Otto Seher

April 10, 1929 - February 14, 2020

Tillie Otto Seher passed away of natural causes on Valentine's Day, 2020 at the age of 90. Tillie was born April 10, 1929 in Cleveland, ND to John and Anna Otto. She was the 12th of 13 brothers and sisters, all who preceded her in death.

She and Alvin Seher of Streeter, ND chose to marry in Coeur d'Alene, ID in 1947 while moving to Vancouver, Wa. where they resided for the remainder of their lives. Alvin died in 2000. They are survived by their children Anna(John) Kearny and Keith(Mindy), 3 grandchildren, 7 great grandchildren, and close to 50 nieces and nephews.

In her life Tillie worked in Canneries, Retail, and Bakeries. She volunteered for over 25 years into her late 80s. Meals on Wheels and, prior, the VA hospital was where she spent the majority of her years in service. She enjoyed gardening, playing organ, and stamp collecting. But her true enjoyment was in her grand and great grand children.

She was greatly loved and will be greatly missed. Assisting in the needs of a senior or a service veteran that you know would honor her the most. At her request there will not be services.

MO

“ My condolences to cousin Keith (Keithie) and cousin Anna (Annie). I love you both very much. I have a life time of memories of Auntie Tillie. All of them are fond, fond memories. She was so faithful in sending me a birthday card each February, but this year, there wasn't one. I so missed that. I am so glad I saved all of them over the years. Since we lived the closest to her, we got to grow up near her and our families visited often throughout our younger years. There was something symbolic of her always being there, and now that is gone. How do you close that chapter in life? I am so grateful my sister and I visited her earlier this month. May you rest in peace, Auntie Tillie. I love you, and always will. Your neice, Theresa Perdue
