“ Pam and family, I'm so sorry for your loss. Tim was a wonderful person who shined the light in every room he was in and every heart who knew him. We served together in the Navy in New Orleans and discovered we were both from Washington State. I remember once on a Navy trip we were going down a road in the mountains of Georgia (I believe) and Free Bird came on the radio. We rolled the windows down and sang our hearts out! I'll never forget Timmy and his smiling personality.

“ I am so sorry to hear of Tim's passing. The mention of his name always brings a smile to my face. I lived just to the west of you on 18th St growing up, and Tim and I met in 6th grade at Fircrest. Tim was everyone's friend, and always kind hearted. I am so very sad for your loss, OUR loss, and hope that the joy he brought to your life comes back as you hear what a wonderful impact he had on those that knew him. May peace find you soon. “ Such a kind and generous heart will so be missed by everyone who knew him .and those that loved him there are no words to comfort. He even detailed my car. Really fun just to be with. Heaven is brighter, we are dark and gloomy. RIP
