

Townes J. Snoots

November 8, 2020 - November 14, 2025

On November 14, 2025, five years and six days after Townes came into this world, he left it, so courageously and at peace. Townes was surrounded by unconditional love in the seven weeks his family was graced with following his DIPG diagnosis.

The impact that Townes has made on so many in his life is incredible. He showed such strength, bravery and love in everything that he did. Townes loved superheroes, especially Hulk and Spider-Man and showed everyone with his strength that he was a true superhero too. Townes never complained, and was always an example of perseverance and bravery. He enjoyed the finer things in life like his daily lattes with Mom and Dad. Townes had a big personality, always making jokes, spreading laughter and ensuring that everyone knew they'd "be okay honey".

Townes will be greatly missed by his parents and siblings; Trevor, Annie, Stevie, Donovan and Angus. Townes is so loved by his Grandparents, Aunts, Uncles, Cousins and community of friends.

I just want to let you know that my warmest thoughts, heart, condolences and prayers are with you and your family. I just can't believe that I am writing or reading memories for Townes...it's just so....unreal. As I know your hearts are broken and you are grieving the loss of precious Townes, I am as well...I loved Townes, for the short time that I was blessed enough to know him and be a part of his life, he gave me some of the warmest most cuddliest hugs I had ever felt❤️🙏 He had the most sweetest smile and laugh and voice and was so much fun to be around...I really loved him SO much !!! My heart aches with his loss, but it rejoices knowing he is STILL with us and his spirit still and will ALWAYS fill your home and your hearts forever....NEVER forget that. Townes may have left this earth, but he will NEVER leave your hearts and souls❤️❤️ I love you all and thank you....thank you for sharing your beautiful family and your beautiful Townes with me.....it has truly be an HONOR❤️🙏*

Very Lovingly,❤️🙏
