“ I didn't know Trong but he had the greatest smile that he shared with everyone! One could tell that he really enjoyed life. May you find peace in this difficult time. Vonda Vensel, Care Coordination

“ Trong was a very nice, sweet man!! I had CPR class with him and the whole O&P department several years ago. Ever since then we would exchange greetings every time we bumped into each other. His smile lit up his face and eyes~one of the most sincerest smiles I will never forget! Peace to his family, Cindy Millard (a friend from Shriners Hospital for Children).

“ I was very sad to hear of Trong's passing. He would always smile and have a hello for me whenever we'd pass in the halls at work. He was such a hard worker and I'm sure his absence will be felt greatly by his co-workers. Please accept my condolences for his friends and family. Leslie Wright, Radiology, Shriners Hospital
