“ To the world's best dad . I was blessed to an have an amazing father in my life . He was so, patient, always smiling. He's going to be missed and even though it just happened I miss him already and it's hard to wrap my head around that he is looking down on us . As I type that ! I remember a memory that my mom told me how my dad always had people watching out for me and making sure I was safe when we lived in Alaska . Now my dad is in heaven looking down on me . Love you dad until I see you again . R.I.P
