“ *"Goodbye" Occured to me the other day You've been gone now a  
couple years well, I guess it takes while For someone to really  
disappear And I remember where I was When the word came about  
you It was a day much like today the sky was bright, and wide, and  
blue And I wonder where you are And if the pain ends when you die  
And I wonder if there was Some better way to say goodbye Today  
my heart is big and sore it's tryin' to push right through my skin I  
won't see you anymore I guess that's finally sinkin' in 'Cause you  
can't make somebody see By the simple words you say All their  
beauty from within Sometimes they just look away But I wonder  
where you are And if the pain ends when you die And I wonder if  
there was Some better way to say goodbye Patty Griffin*
