“ Vern, you will always be "uncle" Vern to me. I remember as a young person spending time in the family pool, playing crazy games and having fun. Or the time that I got to sit in the cockpit of a fighter jet (and being told not to touch anything!). Or the time you installed a stereo in my first car. And I remember hearing about how you and my father celebrated my wedding, sitting in Salmon Creek in the our backyard, drinking champagne. Thank you, and I will miss you. Mike
