“ Dear Diane, We will miss our driveway chats with Vern. He was such fun to visit with and we are so glad to have known him. No matter what topic, Vern was so knowledgeable. His kindness, generosity and just the right amount of mischief always shone through. We are sorry he is gone but Heaven will certainly be more fun when we see him next. Sincerely,

“ Though we did not know Vern for very long, he was one of the best neighbors we've ever had. He truly left an imprint on our hearts. We only wish we could have known him longer, he was such a kind, pleasant soul and a wonderful man. We were so heart broken to hear the news of his passing and are still in disbelief. We miss you dearly, Vern. Death leaves a heartache no one can heal, love leaves a memory no one can steal.

“ Our thoughts and prayers are with Diane and the family for the loss of Vern. What a great guy! Loved his spirit, his sense of humor, his fabulous "photography eye" and his exemplary character.
