“ Dearest Vicky,
I remember the night You and John brought the boys back to the Ranger's Room at Westover Hills A/G. Nic was glued to your side all bright-eyed, and Matt was standing next to John just soaking it all in...and so it began. The model "Ranger Mom", always ready to help, world famous baker of goodies, and treasured friend. I guess the Good Lord needed a Culinary & Confectionery Champion in Glory's Bakery to have called You home so soon. These mortal words can't ever even begin to describe what a blessing You were to us all, and most especially John and the boys. The Royal Rangers should have an award in your honor for your devotion and deepest support of "The Ranger Way". You were a Mom, a sister, and dear friend to me...trying very hard to keep my toes on the line, made me try foods that I would wrinkle my nose at, and came real close to making iced tea just like my grandmother did...and introduced me to your fruit pizza. A part of my heart is missing now, and I hope to see You again someday soon... Tell Anna Hello for me, have missed her very much, too... You two gals behave... Love Always, Darryl
