“ Hi Mom, Anna and I were just talking about you and Grandma. Anna wanted to light a candle for you. We are going up to the Smokey mountain for Spring break and we have been researching our Indian heritage from there. I know you and Grandma both loved the mountains so you both would love this trip too. We would love it if you both could grab Dalen and come visit us while we are there :) We are missing you very much and thinking of you always. I know you needed to see Dalen and that is why it was time for you to go home to him. Colt will be 21 this year and Anna Bug 18- Boy do they grow fast.... God Bless you Mom, Love us!
