“ Thank you for letting me be part of your family. I hope that you all have wonderful memories of your Mom/Grandmother and that each of these make you smile. She always made me laugh, made police officers turn on their lights as she raced to special events for her grandchildren. She included my 3 girls in some amazing outing. I feel so lucky to have felt her love of life. She is now making Heaven a better place for us all. Viola ... Thank You for the love you shared... Alethea
