“ To all of my west coast family - Our thoughts and prayers are with you all. My thoughts have been all over the place this week but keep coming back to our vacations out west. My favorite part of the trip was when we pulled up to the Mullan household in Diamond Bar - I couldn't wait to get there. Our parents took us on great excursions - all piling into the stationwagon to visit Knotts Berry Farm or the Queen Mary. Your mom and dad were great hosts and I will forever have those memories. Love - Lorna and family
