“ I'm sorry I missed the funeral. Wade and I didn't stay in touch as much as I would have liked. I'm going to miss him even more now than I already did. There is going to be a hole in my heart that may never fully heal. Wade was a very kind man and a great person. May we all learn to fill our lives with good friends. May Kathy and the kids take comfort that he is with his Lord and Savior now. Rest in peace my friend.

“ My friend Wade taught me many things. He taught me of God's love and acceptance, even when I didn't love my self. He taught me that real men love their families, care for others and still have fun. He taught me that engineers can be some of the funniest, fun loving and joyful people there are. He is my friend and I can't wait to see him again.

“ I count it as a blessing that Wade was one of my best friends. I will always remember his generosity AND the fact that he LOVED to use a coupon! He set the standard as to what a child of God, husband, father and friend should be. What a legacy! May God pour His comfort on Kathleen, Nick, Steve and Becca in this difficult time.
