“ Wanda was my surrogate mom during the years I was vice president of military banking at Merchants Bank. She got me through two pregnancies and protected my back like a tiger. Her professionalism and dedication are qualities that I will never forget. And she always had such good advice for me! One of my favorite memories is taking her with me across the street to Claypool Courts to help me pick out a dress for the USO Christmas Ball in Washington DC the first time I went. What a hoot! I was so sorry to hear of her passing - I had tried to find her in the last 7-8 years, but now I see that she had re-located. I think of her often, and miss her dearly.

“ Will greatly miss Wanda, but find pleasure that she is with her beloved husband Terry. Jim our sympathy goes out to you with the loss of your mom. May God be with you during this time of sadness.
