“ We are very saddened to hear of the passing of Wayne. Our prayers are with him and all of his family. Wayne was the very first person to welcome our son Randy and us to the Vancouver area. He brought us fresh delicious cookies to welcome us with. Randy and Wayne became good business and personal friends. We appreciate the mentor-ship which Wayne freely provided to our son. We will remember him for all the good that he did for the Vancouver community.

“ We join with so many others who knew Wayne in offering our deepest sympathy on his passing. Although it is little consolation at this sad time, it should be of some satisfaction to know that in his passing you can celebrate the end of a very long and productive life. The measure of a life well-lived is not in how much money one has or what possessions they have accumulated, but rather through the lives they touched and the sorrow they leave behind. If the outpouring of sympathy on his loss is any indication, and it most certainly is, you can proudly and confidently say that his indeed was a life well-lived. May you find peace and comfort in knowing that his loss is felt by all who knew and loved him. In Sympathy, Rich & Deb Irvine

“ Wayne, Thank you for all you taught me when I first came to work for Smokey's, this was my first job, you told me that was no problem, you could teach me anything, well you did. I love working for you and Smokey's. I became a better person because of it. Dellan, I am so sorry for your loss I understand what you are going through. If you need help with anything please don't hesitate to call me.

“ Words, come hard at a time like this. Wayne was an amazing man of many talents. His lose will be missed by everyone whose life he touched. Those we love remain with us For love itself lives on, And cherished memories never fade Because a loved one's gone. Those we love can never be More than a thought apart, For as long as there is memory, They'll live on in the heart. Author Unknown

“ *Dellan, Rachael and Kelly, Wayne reminded me so much of Charles - one of the kindest, most supportive people I know. He cared about people and was, in his own way, quite an educator. I learned a lot from him. Just as my Charles is the wind beneath my wings, so it seems to me Wayne was for the three of you.*

“ I will always remember whenever Wayne would come help me with a project on my house..."I would ask how much do I owe you?" He replied "Oh, how about \$50.00?" I would pay him, then before he left he would hand it back, saying "Keep it for next time." Wayne had his mother's huge heart and sensibilities. I have only the best memories of the Redjou's and Cassady's they taught me a lot. Love to Dellan and the girls, Kate
